More than cooling parts >

Since the founding of NRF in 1927, customers worldwide choose NRF products for the fact that NRF supplies more than cooling parts.

The cooling specialists >

- Inventor of the marine box cooler
- Four (4) manufacturing sites across Europe
- OE design with Kuli® software
- Unique manufacturing capabilities
- Express production lines for 'specials'
- OE manufacturer
- Specialists for thermal management

The reliable partner >

- Products are reliable under extreme conditions
- Financial sound company (Dun & Bradstreet rated '1' in 2010)
- Consistency in supply (you know what you get)
- No re-manufactured products
- We keep our promises!

The quality supplier >

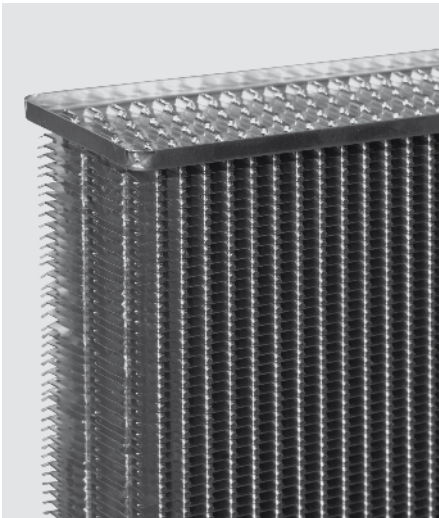

- State of the art test facility
- No concessions to quality
- Non-OE and non-NRF made products are performance tested
- Only supplier to self certify marine box coolers
- OE matching quality
- ISO 9001: 2008
- GOST-R certified

The customer's choice >

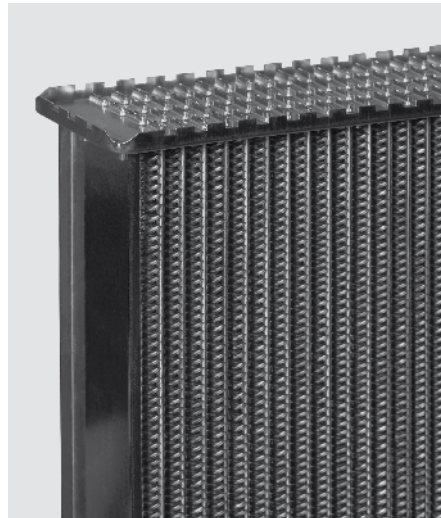

- Global company, local representation
- Excellent logistics
- Continuously adding new products & product lines
- Available in TecCom and TecDoc
- We listen to our customers!
